why compromise..?

- Blinds that simply clip in
- No drilling into frames
- Fits most modern conservatory roofs
- Clips out in seconds for cleaning

OASIS EZ FIT Conservatory Roof Pleated Blinds

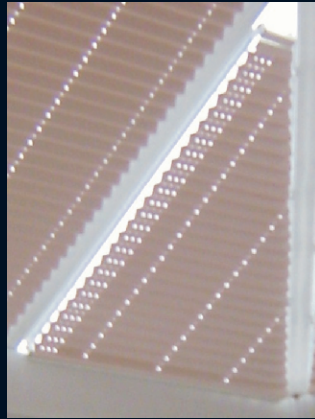

Oasis EZ Fit Pleated Blinds will fit most conservatory roofs. Simply attach side tracks to the glazing bars of the conservatory and clip the blind in - no drilling, brackets, screws or tools required!

OASIS EZ FIT-fits in seconds

Step 1
Attach side tracks to glazing bars using our unique swivel locking brackets.

Step 2
Clip blind onto side tracks at top and bottom.

Step 3
Clip support wires onto side tracks. That's it - finished!

EZ Clean
The blind simply clips out in seconds to be cleaned.

Screw Fit Option

If Oasis EZ FIT is not suitable for a particular conservatory a screw fit option is available that should resolve the problem.
